

1. Login to site

The login form consists of a dark grey header bar. Below it, the text "Email or Username" is underlined in green. A text input field with the placeholder "Email or Username" is provided. Below this, the text "Password" is underlined in green. A second text input field with the placeholder "Password" is provided. A large dark grey button labeled "Login" is centered below the fields. At the bottom left, there is a link "Reset password".

2. Add your address for shipping by going to your profile page and clicking "My Addresses" Tab

The screenshot shows the Intel website's user interface. At the top, there is a dark grey navigation bar with the Intel logo, a search bar, and a shopping cart icon. Below this is a horizontal menu with links: Home, Order Product, Order History, Logout, and Shopping Cart. On the left side, there is a sidebar with a "Products" section and a "Profile" section. The "Profile" section is circled in green and contains links for "Profile", "Address book", and "Site Map". To the right of the sidebar, there is a main content area. A red text overlay reads: "Please add your address for shipping your Free Gift". Below this, a green text overlay says: "Either Circled Link Work click [here.](#) Go to 'My Addresses' tab." The "here." link is circled in green. The main content area displays a product: "Intel Recognition Gift (Arctic Zone® Copper Tumbler 30oz)". Below the product image are buttons for "View Details" and "Quick View". At the bottom of the page, there is a "Settings" section with tabs: Profile, Password, My Addresses, Locations, and Users. The "My Addresses" tab is circled in green. To the right of the tabs is a green button labeled "+ Add New Address".

Settings (Add New Address)

To add an entry to your address book, please fill out the following information and click the Save button.

First Name

Arctic Zone® Titan Thermal HP® Copper Tumbler 30oz in white with intel logo (laser)
Double-wall 18/8 grade stainless steel vacuum construction with copper insulation, which allows your beverage to stay cold for 24 hours and at least 8 hours for hot beverages. The construction also prevents condensation on the outside of the tumbler. Easy sipping, push-on lid with slide closure. Wide opening for comfortable filling and pouring.
